IDEA:-

A good idea has been suggested to me to build a stronger association and friendship amongst our clients. It has been thought that our lady pupils and mothers / fathers of our younger pupils could have a get together for lunch about every 2 months. Please let me know if you would be interested.

FOALS:- I have been handling all our lovely foals over the last few days. Some of them are the first foals of our new stallions **KOLBEACH ROYAL PRINT** and **KOLBEACH SCANDAL**. We are very thrilled with their attitudes and temperaments. Here are a couple of photos of the baby's on first days of contact.

I took the opportunity to commence teaching Mel to handle youngsters our way.
